

Upper Elementary Life Stage PARENTING “PUNCH LIST”

In home construction and remodeling, a “**punch list**” is used during a project to outline the items that need to be covered to complete a job well. Likewise, Watermark Family Ministry has assembled this **Parenting Punch List** that you can use as a guide to be prepared for parenting a **Upper Elementary child**. The material presented below is targeted towards parenting ages 10 & 11 years (4th and 5th Grade).

PILLARS

Like a house, our parenting must have a firm foundation to raise courageous Christian leaders in an ever-changing world that has lost its way. That foundation is God’s Word and we encourage you to consider the following “pillars” that anchor how we parent our kids:

MODEL

Deuteronomy 6:6 calls us as parents to model our faith to our children by keeping God’s word in our hearts.

Here are some ways to **Model** during the **Upper Elementary** life stage:

TRAIN

Proverbs 22:6 calls us to train up a child in the way they should go so that when they are old, they will not depart from it. The Bible is the ultimate resource for parents. As we are told in **2 Timothy 3:16**, “All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness”. The resources provided are not meant to be a replacement of but a supplement to your regular reading of God’s word and your prayers for wisdom and discernment in leading your children.

Here are some ways to **Train** yourself during the **Upper Elementary** life stage:

TRUST

Proverbs 3:5-6 calls us as parents to trust in the Lord with all our heart and not lead on our own understanding. We are called to acknowledge him in all situations and He will make our path straight. These "pillars" of Model, Pray, Trust and Train are underpinned by living out **Matthew 22: 37-39** to love the Lord with all our hearts, minds and souls and to love our neighbors as ourselves.
