

DIY Serve

HANDS & FEET SERVICE PROJECTS (find us on facebook*)

We organize volunteer projects for preschool-aged children and their families, in hopes that through these projects we will help cultivate a heart of Christ-centered service in our children.

**note: the FB group is closed... just request to join and request the packet of serving opportunities!*

STARTING BLOCKS Sunday mornings & evenings 9am, 11:15am OR 5pm

Did you know that elementary kids serve with their parents in our Starting Blocks ministry? If you think that you and your child would be interested in serving twice a month or more in Starting Blocks, contact us at kids@watermark.org for more information!
